Viasat Inc. is a global communications company that believes everyone and everything in the world can be connected. We’re developing the ultimate communications network to power high-quality, secure, affordable, fast connections to impact people’s lives anywhere. Our chief accomplishment is the world’s most powerful satellite internet constellation, providing connectivity in the air, on the ground, and at sea.

We’re hiring! There are positions available in hardware (radio-frequency, digital logic, power electronics), software, and many other areas. Come learn more about what we’re working on and how you can get involved!

ECE Info Session

Phillips Hall 233, 7:30 PM
Tuesday, September 4th
