# ECE Graduation Checklist, page 2

**Definitions:**

- **a.** "Term" means term during which you took the course (e.g. FA 09, SP 13, SU 11).
- **b.** "LS" means liberal studies.
- **c.** "AAE" means advisor-approved elective.
- **d.** "CDE" means culminating design experience.
- **e.** "B/D" means breadth/depth.
- **f.** "3000+" means a technical ECE elective at the 3000-level or above.
- **g.** "OTE" means Outside-ECE Technical Elective.

**Notes:**

- **1.** Six LS courses totaling at least 18 credits and covering at least three categories are required, including at least two courses at the 2000-level or above. Indicate categories in the Cat. column.
- **2.** At least 6 credits of AAE courses are required.
- **3.** Of the ECE foundation courses ECE 3030, 3140, and 3150, and 3250 you must take at least three.
- **4.** Each B/D course must have at least one foundation course as a prerequisite and the list of prerequisites of all three courses taken together must include at least three foundation courses. List foundation course prerequisites in the Pre-req(s) column. Please note that the spreadsheet allows only two 4-digit numbers, separated by a comma (e.g. 3100,3250). Courses must be taken in the correct sequence.
- **5.** See the online ECE Undergraduate Handbook for rules governing 3000+ courses.
- **6.** See the online ECE Undergraduate Handbook for rules governing Outside-ECE Technical Electives (OTE).

This is to certify, to the best of my knowledge, that my graduation checklist is correct. I further understand that it is my sole responsibility to verify that this information is documented on my official record with the University Registrar. If this proves not to be true, I understand that my graduation will be delayed.
